ENGINEERING DEPARTMENT

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Abstract Notification dated 5th September 1938.

The attention of the public is invited to the notification "Calling for the tenders for the work of providing Sanitary Fittings, with Lavatory and Gas connection of Anatomy Block of Medical College, Mysore," published in pages 1582-1584 of Part VI of the *Mysore Gazette*, dated 8th September 1938.

The last date of receiving tenders is fixed on 26th September 1938.

Notification dated 6th September 1938.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M. on 26th September 1938, for the work of erecting 17′ diameter re-inforced cement concrete shell for filters at Harihar for improving water-supply to Davangere Town. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by 1st December 1938.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 578 in cash (no cheques will be accepted) as earnest money, and be superscribed "Tender for the work of erecting 17′ diameter re-inforced cement concrete shell for filters at Harihar for improving water-supply to Davangere Town, in default of which, the tenders will be rejected.

5. The final acceptance of the tender will rest with the Director of Public Health in Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office, in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Director of Public Health will be final and legally binding.

Abstract estimate of approximate quantities for the work of erecting 17′ diameter re-inforced cement concrete shell with necessary, etc., complete at Harihar, for improving Water Supply to Davangere Town.
